PROFILE SUMMARY

I develop versatile mobile apps, integrating APIs, payment systems, and secure backends with Firebase and Google Cloud. With experience across industries like finance and ride-sharing, I deliver high-quality, user-focused solutions on time and within budget, driven by a passion for impactful innovation.

WORK EXPERIENCE

360 IT HUB APR 2024 - PRESENT
Team Lead and App Development

- Led a team of developers to design and deploy high-performing mobile and web applications, meeting tight deadlines.
- Streamlined development processes by introducing agile practices and conducting regular code reviews.
- Collaborated with stakeholders to translate business needs into technical solutions, ensuring project success.

Herald College Kathmandu APR 2024 - PRESENT
Tutor - Part-Time

- Delivered engaging lessons in Figma, Python, helping students grasp basic concepts and improve academic performance.
- Provided personalized support to students through one-on-one tutoring sessions and group discussions.
- Assisted in developing course materials and assessments to enhance the learning experience.

CORE DREAMS INNOVATION SEP 2022 - SEP 2023
Mobile App Development

- Developed and launched user-friendly mobile applications, enhancing client engagement and satisfaction.
- Optimized app performance and implemented innovative features to meet business objectives.
- Worked closely with design and backend teams to deliver seamless, high-quality app experiences.

PRABHU TECHNOLOGY MAR 2019 - SEP 2022
Mobile App Development

- Designed and developed mobile applications, ensuring high performance and cross-platform compatibility.
- Collaborated with UI/UX teams to create intuitive, user-friendly interfaces.
- Implemented robust app features, enhancing functionality and user engagement.
